The Honorable Michael Turner
U.S. House of Representatives
2454 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Turner:

I want to thank you for bringing the issue of Delphi retirees pensions to the Committee's attention. I continue to agree that this is a topic worthy of the Committee's consideration. I believe that we can build on our subcommittee hearing regarding this and other issues involving General Motors through a field hearing, were we can hear direct testimony from those affected by the government's decisions. To best accomplish this, I intend to schedule a field hearing of the Committee in Dayton, Ohio on Monday, November 14, 2011.

Thank you for your steadfast leadership on this important issue.

Sincerely,

Darrell Issa
Chairman
