Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Great Miami River Flooding Improvements Phase 1 Project in Fiscal Year 2024. The entity to receive funding for this project is the U.S. Army Corp of Engineers. The funding would be used for improvements of the Miami Conservancy District's aging, critical infrastructure along the Great Miami River. The project is an appropriate use of taxpayer funds because it reinforces critical flood prevention infrastructure, including eroding levees.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 14 of the Flood Control Act of 1946.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner".
