Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Dayton Water Quality Laboratory Expansion Project in fiscal year 2024. The entity to receive funding for this project is The City of Dayton Water Department located at 320 West Monument Ave, Dayton, OH, 45402. The funding would be used for expansion and equipment for Ohio's leading PFAS testing and analysis center. The project is an appropriate use of taxpayer funds because it advances our nation's clean drinking water goals and protects individuals from contaminants entering local drinking water infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
