The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Advanced Research Laboratory (C2A) in fiscal year 2025. The entity to receive funding for this project is Wright Patterson Air Force Base, located at 5135 Pearson Rd. Bldg 10, Rm 206 Wright-Patterson AFB, OH.

The funding would be used to plan and design construction to house a new laboratory and research facility. The project is an appropriate use of taxpayer money because it will advance multiple research activities including specialty coatings, nuclear modernization, and microelectronics in support of state-of-the-art weapons systems.

The project has a Federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner". The signature is written in a cursive style.
