Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The American Carco and Miami Wellfield Project in fiscal year 2024. The entity to receive funding for this project is Harrison Township, located at 5945 North Dixie Drive Dayton, Ohio, 45414. The funding would be used for protection of the Miami Wellfield from PFAS/PFOS contaminants located at the former American Carco Plant Site. The project is an appropriate use of taxpayer funds because it advances our nation's clean drinking water goals and protects individuals from contaminants entering local drinking water infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
