The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for the Wright-Dunbar Development Project in fiscal year 2025. The entity to receive funding for this project is the City of Dayton, located at 101 W. Third St, Dayton, Ohio, 45402.

The funding would provide for the capital improvements and construction within the City of Dayton's Wright-Dunbar District. The funding will specifically be used to rehabilitate dilapidated housing and bolster business in this historically underserved area by supporting the Wolf Creek Affordable Housing Development and the Marietta Flats Rehab Mixed Use Development facility.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael R. Turner (OH-10)
Member of Congress
