Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the Greater West Dayton Incubator in fiscal year 2023.

The entity to receive funding for this project is the University of Dayton, located at 300 College Park, Dayton, Ohio, 45409.

The funding would be used for construction and equipment for the Greater West Dayton business incubator in West Dayton designed to support underrepresented entrepreneurs. Located in a temporary location in the Wright-Dunbar Village, it provides a co-working space for Black-owned firms, primarily from the Greater West Dayton area, and supports those firms with mentoring, funding and connecting them with other vital resources in the entrepreneurial ecosystem. New construction and equipment will go towards housing and creating services such as micro-lending services, networking opportunities, training and education, consulting services, and additional resources to startups and underrepresented firms.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner".
