Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Tri-Cities North Regional Wastewater Authority Treatment Plant Improvements and Expansion in fiscal year 2024. The entity to receive funding for this project is Tri-Cities North Regional Wastewater Authority located at 3777 Needmore Rd, Dayton, OH 45424. The funding would be used for expansion of the regional wastewater plant. Because of the rapidly growing population and industry in the tri-cities, these improvements are necessary to continue meeting mandates and regulatory compliance relating to flow capacity, protecting the environment by preventing sanitary sewer overflows, and nutrient removal. The project is an appropriate use of taxpayer funds because it advances our nation's clean water goals and supports broader community development in a growing area.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
