Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Wright Factory Business Park Project in Fiscal Year 2024. The entity to receive funding is the City of Dayton, located at 101 W. Third Street, Dayton, Ohio, 45401. The funding would provide for rehabilitation of the fire-damaged hangars at the historic Wright Brothers Aircraft Manufacturing Site, and its conversion into a small business incubator. This project is an appropriate use of taxpayer funds because it will provide economic opportunity to individuals and small businesses that do not typically have access to the space and start up necessary to develop.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner".
