The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Human Performance Wing Laboratory in fiscal year 2025. The entity to receive funding for this project is Wright Patterson Air Force Base, located at 5135 Pearson Rd. Bldg 10, Rm 206 Wright-Patterson AFB, OH.

The funding would be for construction of a new complex to house the Airman Systems Directorate of the 711th Human Performance Wing (711 HPW) of the Air Force Research Laboratory. The project is an appropriate use of taxpayer money because it will advance multiple research activities including developing technologies specific to the human element of warfighting capability, including training, bioeffects, and bioengineering.

The project has a federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner".
