The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Wright Dunbar Development Project. The entity to receive funding for this project is the City of Dayton, located at 101 W. Third Street Dayton, Ohio 45402. This project would rehabilitate dilapidated housing and bolster business in a historically underserved area by supporting the Wolf Creek Affordable Housing Development and the Marietta Flats Rehab Mixed Use Development facility. This project is an appropriate use of taxpayer funds because it will transform the Wright Dunbar District into a thriving, economically sustainable area while creating new opportunities for residents and businesses alike.

This project has a federal nexus because funding provided is for purposes authorized by 42 U.S.C. 5035(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner". The signature is fluid and cursive, with the first name "Michael" being the most prominent.
