Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Great Miami River Levee Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Miami Conservancy District, located at 38 E. Monument Avenue Dayton, OH 45402. The funding would be used to rehabilitate approximately 4,700 linear feet of levee through improvements such as toe berms, seepage control systems, interior drainage upgrades, and pump station improvements. The project is an appropriate use of federal funds because it will stabilize the levees, restore FEMA compliance, and provide long-term protection for homes and infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized by Section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner". The signature is fluid and cursive.
