The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Human Performance Wing Laboratory. The entity to receive funding for this project is Wright Patterson Air Force Base, located at 4375 Chidlaw Road, Wright Patterson Air Force Base, OH 45433. This project would be used for construction of a laboratory and research facility to accommodate requirements of the Air Force Research Laboratory (AFRL) 711th Human Performance Wing (HPW) Airman Systems Directorate (RH) to increase efficiency and effectiveness. This project is an appropriate use of taxpayer funds because it will enhance the human component of warfighting capabilities.

This project has a federal nexus because funding provided is for purposes authorized by 10 U.S.C. Chapter 169.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner". The signature is fluid and cursive, with the first name "Michael" being the most prominent.
