The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the 48 Inch Diameter Raw Water Interconnect between the Miami Well Field and the Ottawa Water Treatment Plant – PHASE 1 project. The entity to receive funding for this project is the City of Dayton, located at 320 West Monument Avenue Dayton, OH 45402. The funding would be used to construct a 48” raw water main interconnect between the Miami Well Field and the Ottawa Treatment Plant. The project is a good use of taxpayer funds because it will allow the City to ensure compliance with the Environmental Protection Agency’s PFAS National Primary Drinking Water Regulation Maximum Contaminant Level.

This project has a federal nexus because funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42, U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Michael R. Turner". The signature is written in a cursive style.
