The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Project Plymouth. The entity to receive funding for this project is the Dayton-Montgomery County Port Authority, located at 8 North Main Street Dayton, Ohio 45402. Funding will be used for land acquisition and development of the acquired property. This project is an appropriate use of taxpayer funds because it will position an underutilized, mostly vacant area for strategic development to support neighborhood revitalization and economic development efforts.

This project has a federal nexus because funding provided is for purposes authorized by 42 U.S.C. 5035(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael R. Turner
Member of Congress
