The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Edwin C. Moses Boulevard Revitalization Project. The entity to receive funding for this project is the City of Dayton, located at 101 W. Third Street Dayton, Ohio 45402. This project would provide for capital improvement of community spaces between Edwin C. Moses Boulevard and Williams Street along historic West Third Street in the City of Dayton. Specifically, the funding will go towards key infrastructure improvements at Sunrise Park and the development of the adjoining San Marco Dayton building. This project is an appropriate use of taxpayer funds because it will remove blight, repurpose underused properties, and attract new housing and business investment to strengthen Dayton's economic condition.

This project has a federal nexus because funding provided is for purposes authorized by 42 U.S.C. 5035(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael R. Turner  
Member of Congress
