Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Emerge Emancipation Project in Fiscal Year 2027. The entity to receive funding for this project is Mental Health Recovery Board of Clark, Greene & Madison Counties, located at 1055 East High Street Springfield, OH 45505. Funding will support creation of 24 individual dorm-style private rooms, common community space, and shared kitchen space to provide stable, transitional housing for men aged 18-26 who are exiting foster care or were formerly incarcerated in the juvenile justice system. This project is an appropriate use of federal funds because it will create safe, stable, transitional housing that will prevent homelessness.

This project has a federal nexus because the funding is provided for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner". The signature is written in a cursive style.
