Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Wright State University STEM Training Facility Expansion Phase II project in Fiscal Year 2027. The entity to receive funding for this project is Wright State University, located at 3640 Colonel Glenn Highway Dayton, OH 45435. Funding will support capital improvements that will expand instructional capacity for STEM and other high-demand workforce programs. This project is an appropriate use of taxpayer funds because it will prepare graduates to address critical workforce needs in the Dayton region and across Ohio.

This project has a federal nexus because the funding is provided for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
