The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for U.S. Space Force Intelligence Facility Planning and Design. The entity to receive funding for this project is Wright Patterson Air Force Base, located at 4375 Chidlaw Road, Wright Patterson Air Force Base, OH 45433. This project would be used for planning and design of a facility to support the Director for National Intelligence (DNI) and United States Space Force (USSF) in areas of the highest national security. This project is an appropriate use of taxpayer funds because it will enhance the ability of the National Space Intelligence Center to provide timely and actionable intelligence.

This project has a federal nexus because funding provided is for purposes authorized by 10 U.S.C. Chapter 169 and the Servicemember Quality of Life Improvement and National Defense Authorization Act for Fiscal Year 2025.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael R. Turner  
Member of Congress
