Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the I-675 at Grange Hall Road Interchange project in Fiscal Year 2027. The entity to receive funding for this project is the City of Beavercreek, located at 1368 Research Park Drive Beavercreek, OH 45432. The funding would be used to support planning and design efforts for the interchange as well as right-of-way acquisition and utility relocation efforts. This project is an appropriate use of taxpayer funds because it will help alleviate traffic bottlenecks on I-675 at the Wright-Patterson Air Force Base security checkpoint.

This project has a federal nexus because the funding is provided for purposes authorized under 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
