Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Greene County South Wellfield Rehabilitation & Connection project in Fiscal Year 2027. The entity to receive funding for this project is the Greene County Board of Commissioners, located at 667 Dayton-Xenia Road Xenia, OH 45385. The funding would be used to rehabilitate and connect three existing wells in the South Well Field to the newly upgraded Northwest Regional Water Treatment Plant. The project is an appropriate use of federal funds because it will expand Greene County's water supply and ensure long-term resilience against PFAS contamination in source water.

This project has a federal nexus because the funding is provided for purposes authorized by Section 1452 of the Safe Water Drinking Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
