House Appropriations Committee

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Human Performance Wing Laboratory in Fiscal Year 2027. The entity to receive funding for this project is Wright-Patterson Air Force Base, located at 4375 Chidlaw Road Wright Patterson Air Force Base, OH 45433. The funding would be used for construction of a multi-story laboratory and research facility to accommodate requirements of the Air Force Research Laboratory 711th Human Performance Wing Airman Systems Directorate. The project is an appropriate use for federal funds because it will assist in enhancing the human component of warfighting capabilities, including training, bioeffects, and bioengineering.

This project has a federal nexus because the funding is provided for purposes authorized by 10 U.S.C. Chapter 169 and the Fiscal Year 2026 National Defense Authorization Act (P.L. 119-60).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
