Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Clark County Public Safety Complex project in Fiscal Year 2027. The entity to receive funding for this project is the Clark County Board of Commissioners, Ohio, located at 3130 East Main Street Springfield, OH 45503. The funding would be used for planning and architectural services for a new public safety complex to replace a critically outdated and undersized existing jail that is in violation of multiple Ohio Bureau of Adult Detention standards. The project is an appropriate use of federal funds because it will protect lives, ensure humane treatment, and restore integrity to Clark County's justice system.

This project has a federal nexus because the funding is provided for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Turner".
